

AUTO REBATES & MOBILITY REIMBURSEMENT PROGRAMS

Many automotive manufacturers offer mobility programs that provide cash payments for the installation of adaptive equipment in any new vehicle, including leased vehicles.

Many Pride Lift Systems are eligible for reimbursement under the terms of these programs.

Here are a few examples of available programs. If your vehicle manufacturer is not listed, we recommend contacting them directly to see what options are available.

Acura (1-800-382-2238)

The Acura Mobility Program provides reimbursement of up to \$1,000 of the cost, to the vehicle owner, for after-market adaptive equipment for drivers and/or passengers, when installed on any eligible purchased or leased new Acura vehicle.

Click here (<http://www.acura.com/mobilityoverview.aspx>) for more information on the Acura Mobility Program.

Chrysler (1-800-255-9877 ~ TTY 1-800-922-3826)

The Chrysler Automobility Program provides reimbursement of up to \$1,000 to help cover the cost of installing adaptive driver or passenger equipment on eligible Chrysler, Jeep, Dodge, and Ram vehicles.

Click here (<http://www.chryslergroupllc.com/en-us/community/Automobility/Pages/Automobility.aspx>) for more information on The Chrysler Automobility Program.

Ford Motor Company (1-800-952-2248 ~TTY 1-800-833-0312)

The Ford Mobility Motoring Program provides up to \$1,200 toward the cost of the installation of adaptive equipment when purchasing or leasing any eligible new Ford or Lincoln vehicle.

Click here (<http://www.mobilitymotoringprogram.com/mainpage.mob>) for more information on the Ford Mobility Motoring Program.

General Motors (1-800-323-9935 ~ TTY 1-800-833-9935)

GM's mobility program reimburses customers for the cost of after-market driver or passenger adaptive aids, including installation, or reinstallation, up to a maximum of \$1,000 when equipment is installed on an eligible GM vehicle.

Click here (<http://www.gmmobility.com/>) for more information on GM's Mobility Reimbursement Program.

Honda (1-800-999-1009)

The Honda Customer Mobility Assistance Program provides a reimbursement of up to \$1,000 to each eligible, original retail customer for expenses incurred to purchase and install qualifying adaptive equipment on any eligible purchased or leased Honda vehicle.

Click here (<http://automobiles.honda.com/information/mobility-assistance.aspx>) for more information about the Honda Customer Mobility Assistance Program.

Hyundai (1-800-633-5151)

The Hyundai Mobility Program will assist Hyundai owners with up to \$1,000 toward the cost of installation of new adaptive equipment in a new Hyundai vehicle purchased by an authorized Hyundai dealership.

Click here (<http://www.hyundaiusa.com/financial-tools/mobility-program.aspx>) for more information about the Hyundai Mobility Program.

Lexus (1-800-255-3987 ~ TTY 1-800-443-4999)

The Lexus Mobility Program provides reimbursement of up to \$1,000 of the cost, to the vehicle owner, for after-market adaptive equipment for drivers and/or passengers, when installed on any eligible purchased or leased new Lexus vehicle.

Click here (http://www.lexus.com/models/LS/accessories/mobility_program.html) for more information on the Lexus Mobility Program.

Subaru (1-800-782-2783)

The Subaru Mobile-It-Ease™ Program provides reimbursement of up to \$500 on new Subaru vehicles from authorized Subaru dealers in the United States to help qualifying owners get necessary vehicle modification due to medically recognized physical disabilities.

Click here (<http://www.subaru.com/engineering/mobile-it-ease.html>) for more information on the Subaru Mobile-It-Ease™ Program.

Toyota (1-800-331-4331 ~ TTY 1-800-443-4999)

The Toyota Mobility Program provides a reimbursement of up to \$1,000 to each eligible, original retail customer, for the purchase and installation of qualifying adaptive equipment on eligible Toyota vehicles.

Click here (<http://www.toyotamobility.com/>) for more information on the Toyota Mobility Program.

Volvo (1-800-550-5658 ~TTY 1-800-833-0312)

Mobility by Volvo provides up to \$1,000 toward the cost of the installation of adaptive equipment when purchasing or leasing any eligible new Volvo vehicle.
